

## Stand package: Public, Care Sector Bathrooms & Clean Water

# ISH

We offer you a platform where you can present your projects and solutions for public sanitary facilities and care bathrooms to a national and international audience of experts, including real estate operators, hotels, local authorities, hospitals, care homes, architects, planners and skilled trades.

Take the opportunity and get to know the ISH as an exhibitor.

Take part, at a joint stand in a prominent location in Hall 3.0 - among the top suppliers of the (semi-)public and commercial sector as well as care buildings - and benefit from the communication and networking area, where the industry comes together to exchange ideas. In addition to the stand space we also offer you the opportunity to present projects in short talks at the "Speakers Corner".

**Your advantage:** With little planning effort, you still benefit from a professional trade fair appearance.
